MAKE AN IMPRESSION THIS CHRISTMAS

At Cirque le Soir we are internationally renowned
For our unique twist on immersive experiences.
Each year at Cirque le Soir we completely reinvent our
space for a special Christmas twist, leaving
our beloved circus theme to come back to it with fresh
eyes every January.

For 2017, we are delighted to announce London &
Dubai will share the new narrative of
THE GET OUT GLAUSE!

Father Christmas, Santa, old St. Nick, the fat man... he
has gone by many names and gone through
many guises - but what happens to these ghosts of
Christmases past?...

THEY RETIRE!

Come down and see what happened to hippie Santa, to that-weird-family-member-in-a-bad-beard Santa, to viking Santa and to all the missus clauses you can shake a candy cane at!

They'll be deaf, incontinent, hopped up on various probably-expired medications but it'll guarantee your place on the nice list (even if their antics are firmly on the naughty list)
